Accredited by the Law Society

We are proud to be an accredited member of the Law Society's Conveyancing Quality Scheme (CQS). This shows that we follow best practice procedures to meet the highest standards of technical expertise and client service and are able to satisfy regulators, lenders and insurers.

Why you should choose an accredited firm

A CQS accreditation is a best practice quality mark that you can trust. The buying and selling of a home is probably the largest transaction that most people undertake in their lives. A CQS accredited firm will provide you with all the information you need to understand the process, options, costs and timescales throughout the transaction.

What you can expect from us:

- When you contact us to discuss your sale or purchase we will explain clearly the steps in the process and what you can expect from your solicitor.
- We will tell you what the costs will be.
- We will keep you informed of progress in your sale or purchase.

We will:

- Treat you fairly.
- Be polite and professional.
- Respond promptly to your enquiries.
- Tell you about any problems as soon as we are aware of them.
- Ask for your feedback on our service.
